

Pilot Proficiency, it is your responsibility!

The WINGS program located at www.FAASafety.gov, will help you establish your own pilot proficiency program. We will review the WINGS program, and teach you how to navigate this tool.

Directions: Hangar for meeting is located adjacent to the arrival/departure building on the right. Airport is located 2.3 miles South of Litchfield on MN 22, Turn left onto 240th street. (Distance measured from junction of US 12 & MN 22)

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
